12RC05 - The Talossan Anti-Terrorism/Racism Act

Michael McGee, Alderman from the City of Milwaukee, U.S.A., and all members of his so-called "Black Panther Militia" are hereby proclaimed persona non grata within the Kingdom of Talossa. They are banned from any and all Talossan territory until further notice, and Talossans are hereby assigned membership in an informal Anti-Terrorism/Racism Squad, with the duty of enforcing this law by all means possible.

Uréu q'estadra sã,
Ián von Metáiriã (TNP-Pórt Maxhestic)

12RC06 - The "Deutschland Erwache!" Act

Talossa hereby establishes October 3rd as "Deutschlandtag", in honor of German reunification and recognition of our own overwhelmingly German heritage, and in doing so also officially recognizes German rights to the following territories or countries: northern Schleswig, Silesia, Pomerania, Danzig corridor, East Prussia, Memel, Alsace, Lorraine, Sudetenland, Austria, and the Tyrol. Talossa urges Germany to claim hegemony over these areas as rightful German possessions as soon as possible, and will wholeheartedly support any and all actions taken to recover them.

Uréu q'estadra sã,
Ián von Metáiriá (TNP-Pórt Maxhestic)

12RC07 - The National Destiny Referendum Act

The Cosâ hereby directs the Secretary of State to conduct a nonbinding national referendum during the month of November 1990, with ballots sent to all available citizens, containing the following question in Talossan and English:

Which of the following expresses best your intention for Talossa's future? (Choose one)

1. Talossa has outlived its usefulness and should cease to exist, passing into history.
2. Talossan democracy has become unpopular or unwieldy, and thus King Robert I should assume executive leadership of the State. Talossa will thus continue existing so we can come back into it at any time, but the cycle of elections and so forth will come to an end, at least for now.
3. Talossa should continue "as is" since those who are currently uninterested can always come back in (if they so choose) whenever they want to.

Proposed by: King Robert I (PC-Vuode)

Uréu q'estadra sâ,
Ben Madison (PC-Vuode)

12RC08 - The Mad Mike Act

WHEREAS Talossa shares an unguarded border with the City of Milwaukee, and **WHEREAS** Alderman Michael McGee has threatened to conduct military actions, including but not limited to urban terrorism, food tampering and the overthrow of the elected government of our good neighbour the United States of America, Therefore the Cosà resolves: to utterly condemn Michael McGee and his terrorist militia as a dangerous national security threat to the Kingdom of Talossa, and to call for massive American retaliation against McGee, his militia, or any of his supporters should he continue in the course of urban violence which he is committed to.

Proposed by: King Robert I (PC-Vuode)

Uréu q'estadra så,
Ben Madison (PC-Vuode)

12RC09 - The Recognition of the New Germany Act

The Cosâ expresses its warm congratulations to the German people on the reunification of their nation-state, the Federal Republic of Germany, and calls upon the German nation to peacefully develop within its new borders. The Cosâ also expresses its hope that Germany's minority peoples (the Sorbs, Flemish and Danes) be granted full cultural and linguistic autonomy within their traditional homelands, as part of the New Germany's positive outlook on the world.

Proposed by: King Robert I (PC-Vuode)

Uréu q'estadra sâ,
Ben Madison (PC-Vuode)
