13RC05 - The Peace Act

The Cosâ hereby proclaims peace in the Iraq War, repeals all PDs and Cosâ resolutions relating to the war, and proclaims to the world that Talossa now exists in a state of non-belligerency.

Proposed by: King Robert I (PC-Vuode)

Uréu q'estadra sâ,
Ben Madison (PC-Vuode)

13RC06 - The Continuing Kurdish Moral Support Act

The Government of the Kingdom of Talossa hereby decries the cynical manipulation of the Kurdish people by the Bush Administration, reaffirms our historic support for an independent Kurdish state, and beams our invincible moral support to the Kurdish nation to aid them in their struggle for liberty against the forces of Saddamic Arab rule.

Proposed by: King Robert I (PC-Vuode)

Uréu q'estadra sã,
Ben Madison (PC-Vuode)

13RC07 - The Talossan Capital Territory Act

WHEREAS the exact borders of the Talossan Capital Territory surrounding the nation's capital of Abbavilla have never really been known, even to me, and **WHEREAS** everybody knows that Abbavilla is located on the UWM Campus and that's specific enough for most of us, Therefore the Cosà hereby abolishes the Talossan Capital Territory and proclaims that the nation's capital remains Abbavilla, a city located within the Province of Atatürk.

Proposed by: King Robert I (PC-Vuode)

Uréu q'estadra så,
Ben Madison (PC-Vuode)

13RC08 - The World Singular Secession Definition Act

WHEREAS the modern world compels us to update our thoughts from time to time, and **WHEREAS** Talossa has always been firmly committed to the ideals of personal independence from foreign-imposed conventions, and **WHEREAS** Talossa has always viewed its own and others' independence in national terms, Therefore the Cosà reaffirms Talossa's commitment to World Singular Secession as put forth in our 1979 Declaration of Independence, considers that the ideals of World Singular Secession are valid in today's world as supporting national liberation struggles and secessionist movement, and proclaims Talossa's moral support for all national liberation struggles and secessionist movements in general, pending of course scrutiny of individual cases to make sure they are in keeping with our high ideals of fairness, peace and non-terroristicity.

Proposed by: King Robert I (PC-Vuode)

Uréu q'estadra sã,
Ben Madison (PC-Vuode)

13RC09 - The Croatian Independence Act

WHEREAS the people of Croatia have proclaimed their Independence from communist, Serbian-dominated Yugoslavia and currently struggle to assert their own autonomy and civil rights, Therefore the Kingdom of Talossa hereby recognizes the free and independent Republic of Croatia (as we did for Slovenia last Dec.), and accords her full diplomatic recognition.

Proposed by: John Jahn (PC-Maritiimi}, King Robert I (PC-Vuode)

Noi urent q'estadra sã,
Ián von Metáiriã (PC-Maritiimi-Maxhestic)
Ben Madison (PC-Vuode)

13RC10 - The "I'm Not a Gloria Este-Fan" Act

The Cosa hereby overturns former PM Erni's PD14 of Feb. 1991/XIL. Among other things similar in nature, this PD proclaimed Cuban-American singer/songwriter (plagiarist?) Gloria Estefan the "national entertainer" of Talossa. In doing so, the Cosa is not hereby passing judgement on this person per se, but rather is simply recognizing that no one person can be named to such a post in our Kingdom. Small though our Community may be, this PD represents a matter of individual choice and taste, upon which our nationette cannot possibly reach consensus. Even though some Citizens may "like" this entertainer (though certainly none approach the John Hinkley-type adoration of you-know-who), every one of us would almost certainly have a unique choice. Iconolatry does not make good national policy.

Uréu q'estadra sã,
Ián von Metáiriã (PC-Maritiimi-Maxhestic)

13RC11 - The Win the War Act

Talossa hereby vows to continue the war against Iraq until victory is achieved.

Talossa will have accumulated enough Victory Points (and can therefore remove its Moral Support counter from the game-map) only when its military objectives have been achieved (below). Short of this, we are only wimps and cowards!

- a.) Saddam Hussein is toppled from power;
- b.) there exists a free and independent Kurdistan.

Uréu q'estadra sã,
Ián von Metáiriã (PC-Maritiimi-Maxhestic)

13RC12 - Cort Nomination

WHEREAS a vacancy exists on the left-hand side of the Uppermost Cort, and **WHEREAS** Jack Schneider, while unpredictable, is generally seen as being on the left-hand side of Talossa, and **WHEREAS** Jack has recently displayed a desire to become more deeply involved in the constitutional process, Therefore We, Robert I, by the Grace of God, King of Talossa, etc., do hereby nominate Jack Schneider to fill the vacancy on the Cort.

Proposed by: King Robert I (PC-Vuode)

Uréu q'estadra så,
Ben Madison (PC-Vuode)
