13RC36 - The General Erni Act

Whereas, Talossa's navy is led by an Admiral, Kurt Litscher, and Whereas, that precedent is not followed with regards to our land forces, the Forziuns pér la Zefencù Talossáes (FZT),

Therefore the Cosa, recognising Wes Erni's practically unbelievable knowledge of military affairs (rivalled only by the PM, of course) and his tradition up to this point at least of political safeness, Hereby confers upon Wes the title of General and places him in command of the FZT, with powers (subject to civilian approval) of designing neat strategies, insignias, etc.

Uréu q'estadra sã,
Ben Madison (PC-Vuode)

13RC37 - The Royal Referendum Act

The Cosâ hereby puts the following nationwide referendum on the next national ballot:

"Do you wish King Robert I to remain in office as King, with full retention of his constitutional powers (including the right to veto legislation)?"

"¿Vëletz-Voi, që Regeu Róibeard I restadra in bPëvarë, cün la guardaziun phién dad os pëvarën constituziunáis (com'els drept da vhetoiçar els proxhets del legeu?"

Uréu q'estadra sã,
Ben Madison (PC-Vuode)

13RC38 - The Jack Get Off My Back Act

WHEREAS , there is some public discomfort over the current system of 'BenPost' election ballot delivery, and **WHEREAS** , a remarkable consensus on this issue was reached at a recent meeting of the King, PM Jahn and concerned citizen Erni, Therefore the Cosà with the passage of the following package of constitutional amendments takes a bold step towards fairness and voter responsibility:

1. [Art. 34 is amended to read as follows:] "Every Talossan citizen is entitled to obtain an election ballot. The Secretary of State shall produce election ballots and retain them at his office. Any citizen may, by post or personal visit, obtain a copy (at or below cost) of the ballot for his own use. Furthermore, citizens may freely photocopy ballots and distribute them to other citizens as Taveliéirs (couriers), the point being that any party leader or citizen may send a ballot to any voter felt likely to support him. It is the responsibility of the individual voters and party leaders to obtain and distribute ballots at their own expense. Citizens may under no circumstances alter, amend or abridge ballots."
2. [The first sentence of Art. 35 is amended to read as follows:] "Ballots must be available to the public on the Balloting Day, or as soon thereafter as possible."
3. [Art. 37 is amended to read as follows:] "Voters shall send their ballots back to the Secretary of State by whatever means is most convenient, including having Taveliéirs return their ballots for them if the voter and the Taveliéir concur. Ballots are not secret. If a voter returns more than one ballot, the first one returned is counted and all others are discarded. When the Election Deadline has passed, a final tally of votes (both by ballot and by VIA form) is publicly announced. Any votes arriving after the Deadline, even if they were posted before the Deadline, are considered null and void."

Noi urent q'estadra sà,

Wes Erni (PC-Vuode)

Ben Madison (PC-Vuode)

Ián von Metáirià (PC-Maritiimi-Maxhestic)

13RC39 - The Condemnation of Serbia Act

WHEREAS, the Cosà, in July of this year, recognised the independence of Croatia by the overwhelming vote of 182-20, and

WHEREAS Croatia has neither achieved actual sovereignty nor obtained peace,

the Cosà hereby denounces in the strongest possible terms the Serbian Government and military. Serbia has continued to slaughter innocent Croatians who only yearn to be free of foreign oppression, and must be stopped through whatever means necessary with all due haste, and the security and independence of Croatia assured.

Uréu q'estadra sã,

Ián von Metáiriã (PC-Maritiimi-Maxhestic)
