14RC01 - The Military-Industrial Complex Act

14RC02 - The Do Your Stuff Minister Act

To foster and facilitate broader communication within the Talossan Citizenry, the Cosà hereby requests that the current holder of the office of Minster of Stuff create a complete and up-to-date list of all living Talossan citizens; and furthermore, that this list be published and distributed withing the next 60 days.

Proposed by: PM John A. Jahn (PC-Maritiimi)

Uréu q'estadra sã,

Ián von Metáiriã (PC-Maritiimi-Maxhestic)

14RC03 - The Budget Committee Act

Due to the widespread dismay over the inactive and seemingly useless Account of Inland Revenue (AIR), and due to the repeated failed attempts to resolve the matter (witness RC 35, 10/91), the Cosà hereby established a Budget Committee to assess the problem and to discuss the future of the AIR. The Cosà grants the Committee 60 days to reach some sort of consensus and provide the Cosà with appropriate, final legislation and/or report. The Cosà appoints the King, Prime Minister, Defence Minister and Burgermeister of Inland Revenue to this Committee. They may appoint others as they may deem necessary.

Proposed by: John A. Jahn (PC-Maritiimi)

Uréu q'estadra sã,
Ián von Metáiriã (PC-Maritiimi-Maxhestic)

14RC04 - Flatulence Discipline

14RC05 - Ronald Rosalez Day

While it is understood that there are not enough people on earth like me, While few have attained the level of intensity I have, We must designate May 12, Ronald Rosalez Day. No other Talossan has ever served on foreign soil. It is for this reason alone that we should agree on this bill. I have no remorse and will be very upset if this bill does not pass.

Proposed by: Ronald Rosalez (PC-Atatürk)

Uréu q'estadra sã,
Ronált Rosáis (PC-Atatürk)

14RC06 - Anti-Welfare

14RC07 - Constitutional Convention

WHEREAS I was given no part in the creation of the Talossan Constitution, and **WHEREAS** I would like to see immense changes in the Constitution which would promote greater activity and participation, Therefore the Cosà hereby authorizes the Prime Minister to call before the end of his ter a Constitutional Convention.

Proposed by: David Kuenn (PC-Atatürk)

Uréu q'estadra så,
David Kuenn (PC-Atatürk)

14RC08 - The Don't You Just Love Taking Sides on This One Act

WHEREAS , Talossa has historically been opposed to Fundamentalisms of all sorts, and **WHEREAS** , the heroic armed forces of the Republic of Algeria have saved that country's educated élite from the humiliation of living under an oppressive, mediæval Islamic Funchy government, Therefore the Kingdom of Talossa epxresses its congratulations and blessings to the Algerian junta and furthermore condemns Islamic Fundamentalism as the last hate-filled paroxysms of a dying religion.

Proposed by: Robert Madison

Uréu q'estadra så,
Ben Madison (PC-Vuode)

14RC09 - The Terpelaziuns (Question Time) Act

WHEREAS Living Cosàs are the only forum at which the PM, his Ministers, and other MCs assemble to confront one another directly, and **WHEREAS** Talossa expects accountability from her government (and not just in apocalyptic ways like the Vote of Confidence), Therefore the Cosà authorises a question and answer period during Living Cosàs. This will be called "Terpelaziuns" ('enquiries') or, for short, "Terps," or "Question Time." During Terpelaziuns, each MC may ask any other MC one question (plus a follow-up) and expect to receive some sort of answer. The Opposition Leader shall put the first question. Questions shall alternate between Government and Opposition members until all MCs on one side or the other have spoken. The remaining MCs may then put questions. Questions will be politely phrased in the third person and directed at the Speaker. Order of Questioners will be determined on an ad hoc basis by the Speaker.

Proposed by: Robert Madison (PC-Vuode)

Uréu q'estadra sã,
Ben Madison (PC-Vuode)

14RC10 - The Anti-Welfare (Substitute Bill) Act

WHEREAS Ron Rosalez has raised the important issue of welfare, and **WHEREAS** his bill's extreme tone will probably doom it, but **WHEREAS** the Issue remains important,

Therefore the Cosâ thanks the honourable Member for Atatürk for raising the issue, and enacts the following as a general principle of RT polity:

"Talossa recognises basic health care as a right to be guaranteed by the government, endorsing in principle a Canadian-style system. The RT further undertakes to initiate no social welfare programme which pays people not to work. The foundation of Talossan society is activity, and any RT welfare programme must demand responsible behaviour in exchange for social assistance. Able-bodied persons will be expected to accept workfare jobs in exchange for welfare payments, and no welfare recipient may under any circumstances be permitted to voluntarily have children. Any Talossan social welfare administration must enforce these guidelines through all conceivable means."

Uréu q'estadra sã,
Ben Madison (PC-Vuode)
