This shall be done after consultation with party leaders with the objective of selecting a PM who will receive the support of a majority of the Cosâ in upcoming Votes of Confidence. Should a single party win an outright majority in the Cosâ, the King shall appoint as Prime Minister the choice indicated to him by that party's leader.*

15RC02 - The Talossan Language Traditions Amendment

WHEREAS numerous RT Prime Ministers (among them Tom Buffone, Wes Erni, Jack Schneider) have chosen to say their Oath of Office in the Talossan language, and **WHEREAS** , the PM represents the entire Talossan nation, and **WHEREAS** the Constituziun provides that "The sole historic and national language of the entire Talossan people is the Talossan language" (Art. 5), Therefore, the Cosâ hereby deltes the phrase "or English according to his wish" from Article 47 of the Constituziun, and changes the punctuation of the English text of the PM's Oath of Office to indicate that it remains in the Constituziun solely as a translationg of the Talossan version. The effect of all this is to say that future PMs will take their Oath in the historic and national language of the entire Talossan people, i.e. Talossan.
