15RC09 - The Glitzy State Opening of the Cosâ Act

WHEREAS , Talossa revolves around its government, and **WHEREAS** , parties and get-togethers are a successful way of promoting Talossan national togetherness, the Cosâ hereby recommends strongly the following visionary proposal: Future elections shall be followed, when practical, by an official Living Cosâ which shall be styled the "State Opening of the Cosâ." At the Staet Opening, the PM shall read his Speech to the Nation and the Leader of the Opposition shall have a chance to rebut. A Living Cosâ shall be carried out at the same time, on the Government's first Clark. At the start of the State Opening, the new PM will be sworn in publicly. The State Opening shall feature food, drink, and as many Talossans as possible will be invited to attend.

Proposed by: Robert Madison (PC-Vuode)

Uréu q'estadra sâ,
Ben Madison (PC-Vuode)

15RC10 - The Responsible Government Amendment

15RC11 - The No Spying on Talossans Act

WHEREAS a promiinent and seemingly permanent feature of Leftist government in Talossa is the practice of creating "Oversight Committees" to single out individual Talossans and subject them to vague persecutorial auras, and **WHEREAS** Talossans have a right to be free from invasion of their psychological well-being in this regard (Cov. 15), and **WHEREAS** a current "Ben Oversight Committee" exists at Dan Lorentz's behest only to serve to add the pretended force of law to Dan's and Jack's policy disagreements with Ben, Therefore the Cosà hereby abolishes the Ben Oversight Committee and furthermore bans the Government from establishing "Oversight Committees" at all.

Proposed by: Robert Madison (PC-Vuode)

Uréu q'estadra sã,
Ben Madison (PC-Vuode)

15RC12 - The Talossan Civil Rights (Entrenchment) Amendment

15RC13 - The 5th Covenant Amended

15RC14 - How One Becomes a Talossan--An Amendment

15RC15 - The Chess Kign Amendment

15RC16 - The Amendment for FREE Speech

WHEREAS , numerous MCs have an abundance of ideas floating around somewhere in their heads, and **WHEREAS** there is no such thing as too much bureaucracy in a country whose initial purpose was to cure boredom, and **WHEREAS** our esteemed Secretary of State gets almost all of his copies for free anyway, Therefore Articles 73a and 73b of the Constituziun (LC1.12.90) are hereby amended into non-existence.

This puts into reality RC34 of the May 1992 Clark, which was approved by the Living Cosà but was then thrown out on a technicality by King Robert I. (Pay no attention to the whining of Ben and John that the grueling labor of having to press the "Print" button one more time is worht \$.50) Nick Kovac also promises to provide extra scotch tape for Herr Jahn if he finds that to be an unfathomable expense.

Proposed by: Nick Kovac (MP-Vuode)

Uréu q'estadra sã,
Nick Kovac (PC-Vuode)

15RC17 - The RUHS Shrine of Knowledge Act

WHEREAS , the entire Mussolini Province presently has no self-government, and **WHEREAS** , Riverside University High School was attended by a very significant percentage of our population (including our king) and perhaps still holds a special place in their hearts, and **WHEREAS** education is propoerly revered among Talossans, and **WHEREAS** Nick Kovac aand andrew worm are the only citizens presently attending R.U.H.S., Therefore the area of Riverside and Riverside Park (bounded by the River, Locust St., Oakland Ave., and a few insignificant roadways) shall be considered separate from Mussolini Province, and in fact not a province at all. This area shall be officially titled the Riversidal Institute of Talossan Learning, or, if you like ironic acronyms: the Fabled Learning University of Neverending Knowledge (FLUNK), and will be an honored and unique part of Talossa. (Sort of like Vatican City, but still a part of Talossa.) NK and AW will have their citizenship moved from the Madison-dominated Vuode Province to this new and sacred shrine of Talossa. They will be considered its caretakers and will have full provincial-like authority over the region - to govern it and preserve its sacredness.

Proposed by: Nick Kovac (MP-Vuode)

Uréu q'estadra sã,
Nick Kovac (PC-Vuode)

15RC18 - The Military Organisation Act

Whereas, the RT military's future is uncertain as it is a point of controversy between the peace-coveting and wargaming/militaristically-inclined wings of Talossa, Therefore the Cosà attempts to officially designate our military's duty and place in RT hierarchy. Talossa has no practical need of a military and our armed forces would be completely worthless if we had one. Nevertheless, the RT military will be available to all citizens while being allowed to organise itself and fantasize to its heart's content. ~~But it will be considered a section of and subordinate to the WarGames Ministry.~~ Anyone who commits actual acts of violence in the name of Talossa will lose their citizenship (according to the will of the Cort Inalt). We shall represent and encourage peace between nations.

Proposed by: Nick Kovac (MP-Vuode)

Uréu q'estadra sã,
Nick Kovac (PC-Vuode)

15RC19 - The Let's Clean Up Talossa Act

WHEREAS, Talossa and the rest of the world are quickly being covered by landfills, industrial sludge, smog, and greenhouse gases courtesy of our corrupt politicians, greedy corporations, and ignorant, lazy public, Therefore it shall now be mandatory for all Talossan citizens to recycle all metals, aluminum, plastic, and paper possible.

Citizens are also encouraged to take other steps in order to protect our environment (e.g. conserving tapwater, writing to politicians, etc...). Violators of the law will be forced to live on a toxic, uninhabitable world.

Proposed by: Nick Kovac (MP-Vuode)

Uréu q'estadra sã,
Nick Kovac (PC-Vuode)

15RC20 - The Just Say Mow Act

WHEREAS, grass clippings belong in a compost pile, not a landfill, Therefore Talossa thanks the city of Milwaukee for collecting its refuse every week and enthusiastically supports the new law banning yard waste from sanitary disposal.

Proposed by: Nick Kovac (MP-Vuode)

Uréu q'estadra sã,
Nick Kovac (PC-Vuode)

15RC21 - The Worm Act

WHEREAS Andrew Worm has been enthusiastically and unanimously recommended by the Talossan Cort Inalt (MC NK sat in for Justice Erni, whose location was a mystery. Both Justice Madison and Schneider consented to this temporary replacement.), Therefore Talossa welcomes Andrew to our unique community and grants him official citizenship.

Proposed by: Nick Kovac (MP-Vuode)

Uréu q'estadra sã,
Nick Kovac (PC-Vuode)

15RC22 - The Official National Pastime Act
