16RC25 - The Special Powers (amendment) Act

16RC26 - The Ninth Vague Principle Referendum Act

A referendum is to be held at the earliest possible opportunity to vote on whether or not to add the following text as the 9th Vague Principle of the Constituziun. (If the other Vague Principles are abolished before this Referendum is passed, this would then become the only Vague Principle.)

"The reality of the Kingdom of Talossa is lived out most positively through its historic spirit, of which all Talossan institutions are guardians and enhancers. The Kingdom of Talossa is a community of persons having fun by doing things which are reasonably similar to what other ("real") countries do, whether for reasons of tourist nostalgia, out of a lust for power, in pursuit of parody, or--yes--as nationbuilding.

16RC27 - The Sigürità Act

WHEREAS , Talossa has no law enforcement apparatus, and, **WHEREAS** , the recent events at Riverside University High School demonstrate the need for ruthless response to crime and civil unrest, Therefore the Cosà hereby enacts the following into law:

Law enforcement in Talossa is vested in a national police force known as la Sigürità ['Security']. The head of the Sigürità shall be a Janet Reno-type cabinet-level post known as the Minister for Internal Security. The Sigürità shall assume the rôles of police department, Justice Department, FBI, and CIA with full investigative functions. All actions of the Sigürità shall be subject to Cosà oversight, except those dealing with sensitive security matters, which shall be overseen by the Cabinet headed by the Prime Minister. Pending changes in American laws which would enable the Sigürità to fully discharge its duties, the Sigürità shall not engage in any activity which violates American law. It may, of course, never engage in any activity which violates Talossan law.

Ben Madison (PC-Vuode)

16RC28 - The Duce Day Talossan National Holiday Act

16RC28 - The Duce Day Talossan National Holiday Act

WHEREAS Benito Mussolini has featured prominently in the heart and mind of our King for over a decade; and

WHEREAS the name and legacy of the late Italian creator of Fascism continue to influence the King and feature prominently within Talossan history and culture; now

THEREFORE the Cosà hereby enacts a nationally observed holiday in remembrance and commemoration of Il Duce. From now on, July 29th each year is proclaimed 'duce day' (mussolini was born 7/29/1883). Talossans are encouraged to observe that day with appropriate reflection, and to shout "DUCE! DUCE! DUCE!" with appropriate enthusiasm and genuflection.

MUSSOLINI HA SEMPRE RAGIONE!

Proposed by: **John Joahn (PC-Maritiimi)**

**Scribe's Note: This Act was repealed by Act of the 42nd Cosa with the passage of [42RZ18](#)

16RC29 - The Declaration of War on Serbia Act

Talossa, as a free, democratic and peace-loving state, is outraged beyond mere words at the extreme brutality and complete disregard for all the rules of humanity and civilised behavior as has been perpetrated by Serbia and the Bosnian Serbian Republic. Talossa, therefore, wishes to proudly announce to the world's nations that it is the first to express its disdain for Serbian atrocity by declaring that a state of war exists between the Talossan Kingdom and Serbia and their Bosnian Serbian allies. Any and all Talossan military actions to be undertaken in conducting this war are hereby placed under the direct command of Defence Minister General Wes Erni. The Talossan Uppermost Cort (TUC) is hereby set up as a tribunal in order to try all known and suspected Serbian war criminals. This state of war shall exist until the situation in the Balkas becomes one that can be accepted by the Talossan Kingdom, or until Serbia has been invaded and occupied by Talossan Armed Forces (whichever comes first). SERBIA MUST BE DESTROYED! This bill, if passed, is to take effect 1 July 93/XIV.

16RC30 - The Jurisprudence Increase Act

WHEREAS , Justice Jack Schneider has deliberately and willfully chosen to divorce himself from the Talossan body politic; and **WHEREAS** , Justice Schneider has recently shown himself to be less than unbiased and jurisprudent in hearing cases against those Talossans with whom he maintains longstanding, personal grudges; and **WHEREAS** Talossa needs at least one Justice for whom judicial restraint and not activist, legislate-from-the-bench is a credo; Therefore, the Cosâ hereby votes to replace Justice Schneider with former Justice John Jahn as a full member of the Uppermost Cort of Talossa.
