18RC13 - (Records Missing)

18RC14 - (Records Missing)

18RC15 - The Talossa-On-Line Study Committee Act

WHEREAS Talossa first entered the modern age (actually, even just the pre-modern age) when "Vote by Post" was established years ago, enabling Talossa's far-flung citizenry to participate in democratic government;

WHEREAS many people now communicate through computer networks; and

WHEREAS our Kingdom faces stagnation without new blood;

the Prime Minister is therefore instructed to appoint a "Talossa-On-Line Study Committee" charged with reporting to the Cosà on the desirability and feasibility of offering participation in Talossa through computer networks.

Uréu q'estadra så,
Danihel Lauriéir (PW-Mussolini)

18RC16 - The Judicial Fairness Amendment

Wherea the Uppermost Cort now can refuse to hear any case it chooses not to without explanation; and **WHEREAS** that is outrageously unfair to plaintiffs, the Cosà hereby resolves to add to the Constituziun the following requirement for the Uppermost Cort:

"The Uppermost Cort must supply any plaintiff whose case it refuses to hear a written justification of such refusal."

Uréu q'estadra sâ,
Danihel Lauriér (PW-Vuode)

18RC17 - (Records Missing)

18RC19 - Proposal (Untitled)

Resolved, that the Green Bay Packers are by far the most illustrious and successful team in all of recorded time, and Resolved, that their present situation only promises to get better with division titles, playoff victories, and a Super Bowl not far away, and Resolved, that the Packers newfound success after years of frustration is similar to the renewed interest we see today in Talossa, then be it Resolved that each Talossan must make every effort to watch and support the Packers, and be required by law to watch the game on Oct. 31 against the despicable and often quite smelly Chicago Bears, and root loudly for "our team" as they run rufshod (sic) over the entire NFC.

Proposed by: Andrew Wozniak (PL-Maritiimi-Maxhestic)

Uréu q'estadra sã,
Andrew Wozniak (PL-Maritiimi-Maxhestic)

18RC20 - (Records Missing)

18RC21 - The Right to Bear Arms Act

A well-regulated militia being necessary to the security of a free state, the right of the members of a well-regulated militia to keep and bear arms shall not be infringed. All gun owners living in Talossa shall henceforth compose a military police force or National Guard of Talossa, to be known as the Talossan Well-Regulated Militia (*La Militzia Ben-Reguladâ Talossân--MBRT*). They will receive military training and be obligated to serve for a certain period of time each year. Those gun owners who refuse to comply will be considered deserters, and shall be dealt with in whatever manner the Militia chooses to deal with deserters (blindfold optional). Anyone convicted of a crime involving firearms must be sentenced to life without parole, or worse. Ownership of guns is banned for minors and for anyone convicted of a felony. Enforcement of this law is deferred until such time as Talossa achieves more effective sovereignty.

Uréu q'estadra sâ: Robert Madison (PC-Vuode)

Uréu q'estadra sâ,
Ben Madison (PC-Vuode)

18RC22 - The Negative Action Act

WHEREAS the 4th Covenant mandates that "No discrimination or preferential treatment shall exist within the Kingdom Of Talossa on the grounds of race" (etc.), the Cosâ hereby urges the State of Wisconsin and the Federal Government of the United States to immediately ban and prohibit any and all "Affirmative Action" programmes currently in force on Talossan soil. Anti-White racism is still racism. Play fair.
