20RC03 - The Televerket Restoration Act

WHEREAS , the Kingdom of Talossa is about to enter the world of Internet advertising and computerization, and
WHEREAS , there is currently no government body competent to administer Talossa's computer revolution, and
WHEREAS , the very first government office ever created in Talossa was the state telecommunications authority Televerket (as identified in the 26 December 1979 RT phone book), Therefore, the Cosâ hereby recreates Televerket as the official state ministry for telecommunications, as a cabinet level agency, and empowers the Prime Minister to select an appropriate Minister of Telecommunications to oversee Televerket in the Kingdom of Talossa.

20RC04 - The Committee on the Future Act

WHEREAS, the Kingdom is contemplating advertising itself on the Internet, which may possibly bring a comparatively massive wave of new immigrants to our metaphoric shores, and **WHEREAS**, Talossa may as a society and as a government be unprepared to deal with large numbers of new, unsocialized citizens, Therefore, the Cosà hereby appoints Robert Madison to chair a Committee on the Future, to be assisted by such others as he shall choose (but not Al Gore, Newt Gingrich, or the Tofflers) to debate such questions as this issue may cause to arise. Questions that might be debated are included on p. 2, in the Address to the Whole House.

ADDENDUM: ADDRESS TO THE WHOLE HOUSE

R. Ben Madison (PC-Vuode)

Esteemed Members of the Cosà: If RC4 passes, it is my intent to circulate a questionnaire to all members of the Committee on the Future to discuss various issues relating to new immigrants. These questions will include: Do we want to relax or strengthen immigration laws? Do we want a quota on new immigrants to keep Talossa from getting swamped? Do we want a 'House of Lords' so those who have been Talossan for years can maintain some control over the national identity? Do we want to give the King 'emergency powers' in case new immigrants team up to 'take over' Talossa and steer it off its historic course? Should we reinstate a multiple choice civics test for immigrants? Etc. I hope you will all vote for RC 4 and actively participate in the survey that will be drafted. Please tell me if you want to be included on the Committee on the Future. I guarantee you: If you apply, you will be approved. (Signed) RBM.

Uréu q'estadra sã,
Ben Madison (PC-Vuode)

20RC05 - The 59% of Talossans Love Polls Act

WHEREAS , it can be safely stated that Talossa's most active citizens participate in Cosà business by becoming MCs, and **WHEREAS** , the opinions on the Great Issues Of Our Time of our most active citizens are of interest to inquiring minds, Therefore, the Cosà hereby permits the Secretary of State, if he so chooses, to attach to the Clark various public opinion questions for MCs to till out (or to abstain on, if they choose). The results of the polling shall be made public and may be published in the press.
