23RZ17 - The Talossa Is My Country Act

WHEREAS , all Talossans are citizens of other ("real") nations, and

WHEREAS , this puts all Talossans into a "dual citizenship" situation, and

WHEREAS , Talossa is a unique national community which has prospered for almost two decades by the unique commitment and participation of its people, and we do not want that participation confused or diluted by membership in rival "micronations,";

THEREFORE, the Ziu hereby resolves, that all such "dual citizenships" of Talossan citizens be formally honoured and recognized;

AND the Ziu hereby resolves, that no Talossan citizen shall be entitled to be a citizen, member, or constructive participant (however defined) in any so-called "micronation," without the consent of the Ziu.

Uréu q'estadra sã,
Márcüs Cantaloúr (Silver Phoenix-Atatürk)

23RZ18 - The Talossa Is My Country, But That Doesn't Mean I Can't Have Friends Elsewhere Too, Act

WHEREAS , all Talossans are citizens of other ("real") nations, and

WHEREAS , this puts all Talossans into a "dual citizenship" situation, and

WHEREAS , Talossa is a unique national community which has prospered for almost two decades by the unique commitment and participation of its people, and we do not want that participation confused or diluted by membership in rival "micronations," but

WHEREAS , Talossans should not be forced out of friendships with their pals in other micronations simply because they are Talossan citizens;

THEREFORE, the Ziu hereby resolves, that all such "dual citizenships" of Talossan citizens be formally honoured and recognized;

AND the Ziu hereby resolves, that no Talossan citizen shall be entitled to be a citizen or member in any so-called "micronation," without the consent of the Ziu;

AND the Ziu hereby resolves that, in the spirit of true Derivatism (which is a philosophy beloved in our Regipäts, don'tcha know), Talossan citizens are free to be involved in a positive way with any other so-called "micronation" (below the level of citizenship in that "micronation"}, unless Talossa is at war with said "micronation" or the Ziu has issued a bill officially condemning that "micronation".

Uréu q'estadra sã,
Charles Sauls (PC-Florenciã)

23RZ19 - The Talossan Anti-Microsoft Monopoly Act

WHEREAS , these fundamental freedoms have been extended onto the Internet since Talossa's 1995 decision to join the Internet; and

WHEREAS , the monopoly practices of Microsoft endanger the freedom of all Internet users, and thus endanger the freedom of Talossans; and

WHEREAS , there is credible evidence to suggest that Bill Gates is the Antichrist; and

WHEREAS , U.S. Attorney General Janet "Waco" Reno has courageously imposed a legal crackdown on Microsoft's monopolistic practices:

THEREFORE, the Ziu hereby expresses its concurrence with the United States Government's attempt to weaken Microsoft's computer monopoly, and supports the efforts of the Clinton Administration to open the Internet and the computer industry to free and fair competition.

WHEREAS , Talossan citizens can not move from province to province at will unless they physically relocate; and
