### 31RZ28 - The People To Provinces Fix-It Once and for All Act

The Ziu hereby takes official action to repair all ambiguity, incompleteness, and silliness in the assignment of people to provinces based on their geographical location.

1. This Act shall repeal any and all legislation ever passed by the Ziu (apart from Amendments to the Organic Law) concerning the topic.
2. The provincial assignments of all Talossan citizens, as of 1 August 2003/XIV, are unchanged by this Act. Included in this provision are the anomalous assignments of Brook Gläfke (Florenzia), Maxime Charbonneau (Florenzia), Albrec

## 31RZ29 - The Council of Governors Act

**WHEREAS** the right of Provinces to work together for mutual interest has no proper conduit;  
and

**WHEREAS** the leaders of each province have no way to conduct intraprovincial business; and

**WHEREAS** the absence of a group of provincial leaders leaves this need unfulfilled; and

**WHEREAS** such a group would serve a mighty purpose, giving the provinces a united voice  
when addressing the government of Talossa;

THEREFORE the Ziu authorises the formation of a Council of Governors (el Cu

Sir Tamorán dal Navă (GCP-Maritiimi-Maxhestic)

### 31RZ30 - The There Is Only One Province Declaration

**WHEREAS** Article XVI, Section 13 of the Organic Law of Talossa reads: "No province existing at the time of the adoption of this Organic Law may avail itself of any right guaranteed in this Organic Law until such time as the province contains within it a working constitution with an elected government and a citizenry comprising at least 10% of the population of the Kingdom of Talossa or at least five persons (whichever is more). The Ziu shall have power to certify this by appropriate legislation. No new province shall be constituted after the adoption of this Organic Law unless said proposed province shall contain within it a working constitution with an elected government and a citizenry comprising at least 10 persons."; and

**WHEREAS** this means that a province is only certified if it is able to fulfill the above requirements of ten citizens and a constitution; and

**WHEREAS** this means only Vuode qualifies for such a distinction;

THEREFORE the Ziu hereby declares that There Is Only One Province in Talossa, and that province is Vuode. The Ziu also declares that this section of the Organic Law may need serious debate so as to make the requirements for official provincehood less stringent. This Act is not an act of Law, merely a declaration.

Uréu q'estadra sã,

Sir Tamorán dal Navă (GCP-Maritiimi-Maxhestic)

### 31RZ31 - The Turkey to the Frogs Act

**WHEREAS** Atatürk contains the highest number of French speaking citizens,

**WHEREAS** Atatürk citizens mostly like their French heritage,

Therefore, The Ziu resolves to allow the assignment to Atatürk of all ex-colonies of France outside Europe, provided the province losing the assignment agrees. The list includes:

- Louisiana
- French speaking countries of Africa and ex-French Colonies (including Maroc, Algeria, Tunisia, Djibouti, Madagascar, Comoros)
- French speaking countries of the caribbeans ( Including Guadeloupe, Guiana, Martinique, Réunion )
- Vietnam
- Corsica

However, with the exception of Corsica, no French colonies from Europe will be transferred to Atatürk.

Any province losing an assignment to Atatürk will be able to negotiate an exchange of assignment, with Atatürk giving back some assignments in return.

Negotiations shall be made by a committee of at most 3 persons for each province, which must include the province senator, the province governor and the province premier.

Uréu q'estadra sã,

Sir Marti-Páir Furxhéir (PC-Atatürk)
