34RZ09 - The People to Provinces (No More Microprovinces) Act

The Ziu hereby takes official action (yet again!) to repair all ambiguity, incompleteness, and silliness in the assignment of people to provinces based on their geographical location.

An asterisk (*) indicates a clause which is changed from the previous version of this Act.

1. This Act shall repeal any and all legislation ever passed by the Ziu (apart from Amendments to the Organic Law) concerning the topic.

*2. The provincial assignments of all Talossan citizens, as of 1 May 2005/XXVII, are unchanged by this Act (but see paragraph 5 below). Included in this provision are the anomalous assignments of Brook Gläfke (Florenca), Albrec'ht Stolfi (Atatürk), and Ián Metáiriá (Maritiimi-Maxhestic), all of which are confirmed as is.

3. Future immigrants to Talossa shall be assigned to provinces based on the provisions of this Act.

~~Current citizens who physically move so as to be reassigned to a different province under provisions of this Act shall be reassigned under the provisions of this Act.~~ *[Modified by 35RZ23]*

*4a. Talossan citizens physically living within the boundaries of the Kingdom of Talossa shall be assigned to whichever province they are actually living in. There shall be no exceptions to this rule and this clause overrides all other clauses in this Act.

4b. Citizens living outside the boundaries of Talossa shall be assigned to a province corresponding to a geographic zone. The entire globe shall be divided into seven geographic zones so that anyone living anywhere outside Talossa is automatically assigned to the corresponding Talossan province.

~~*5. No Talossan citizen may transfer his provincial citizenship to a different province, except by physically moving into that province or into the zone corresponding to that province. A citizen living inside or outside of Talossa who moves into an outside zone corresponding to a different province may transfer his citizenship to the new province by law, but in the absence of such a law, is considered assigned to his original province for all purposes.~~ *[Modified by 35RZ23.]*
