43RZ01 - Nomination of an Admiral

**WHEREAS** El Marì Rexhital Talossan (MRT) is currently (and has always been) without an Admiral,

**WHEREAS** [35RZ32, The Naval Reorganization Act](#), mandates that the MRT be administered by an Admiral and,

**WHEREAS** [35RZ32](#) requires that any nominee to the rank and post of Admiral be appointed by the Monarch following confirmation of the Ziu in the form of an affirmative majority vote and,

**WHEREAS** the nominee has shown true, diligent, and faithful service over the last four plus years and will continue to do so now,

**THEREFORE**, I, Brad Holmes, Minister of Defence of the Kingdom of Talossa, do nominate and highly recommend promoting *Tímopi M. Asmourescu*, Capitán, MRT, to the rank and post of Amirál, MRT.

Uréu q'estadra sã,

Brad Holmes (Minister of Defence, Senator-AK)

## 43RZ02 - The Legal Appeals Act

**WHEREAS** our ever growing legal system now has a functioning inferior court and

**WHEREAS** decisions by all inferior national and provincial courts may be appealed to the Uppermost Cort (OrgLaw Article XVII, Section 9 for provincial courts) and

**WHEREAS** since we're organizing everything else, we might as well put a little structure to how appeals shall be handled so

**THEREFORE**, it shall be understood that any provincial court decision may be appealed at the National level before the lowest inferior court and that any decision by this court may be appealed to the Uppermost Cort. National courts shall not interpret or rule on matters of provincial law unless the province has no system of courts, has not proclaimed a constitution or has standing law that matters of provincial law be handled through National Courts. Rather, the decisions of these courts will ensure no provincial court decision runs contrary to the Organic or Statutory Laws of the Kingdom, and that the rights of all involves parties, as guaranteed by the Rights and Covenants of the Organic Law, are protected.

**FURTHERMORE**, all appeals, as with other court actions, shall be filed with the Clerk of Courts. Upon official judicial assignment, the Justice(s), Judge or Magistrate may either dismiss the case, by declining to hear it, or begin hearing opening arguments in the matter as presented by all relevant parties.

**FURTHERMORE**, appeals or other actions brought before the Uppermost Cort shall be heard within 90 calendar days from the date of assignment by the Clerk of Courts. Should this time elapse and no decision be rendered as to whether the Uppermost Cort will hear the matter brought before it, the court will have implied unwillingness to hear the case and the decision of the lower court shall be upheld without prejudice. Parties may then re-file their appeal a final time after waiting an additional 90 days. If the court declines to hear, or fails to respond within 90 days, the decision of the lower court shall be upheld and no further appeal shall be permitted.

Uréu q'estadra sã,  
Tímopi Asmourescu (Senator-BE)

## 43RZ03 - The Removing an Immigration Hurdle Amendment

Whereas Article XVIII, Section 6 states;

*Any person, whose citizenship is denied, may reapply by undergoing the entire procedure (minus any successfully completed portions) following the next general election.*

; and

Whereas we should be cutting out hurdles in the entire immigration process so to maximise the number of immigration applications received; and

Whereas any reason given for a citizenship application denial notwithstanding, the hurdle should be removed;

THEREFORE the Ziu approves the following amendment to the Organic Law, and transmits it to the people for ratification.

Article XVIII, section 6 of the Organic Law is amended to read:

*Any person, whose citizenship is denied, may reapply for citizenship by undergoing a tailored immigration procedure, which shall exclude previously completed sections of the process, at any time. The Minister of Immigration has sole discretion as to which sections of the immigration procedure shall be considered spent or not by any re-applicant.*

Uréu q'estadra sã,  
Éovart Grischun (MC-CSP)

## 43RZ04 - The Article XVII Cleanup Amendment

Whereas Article XVII, Section 13 states;

*Section 13. No new province shall be constituted after the adoption of this Organic Law unless said proposed province shall contain a citizenry comprising at least 10 persons.*

*No new province shall be constituted after the adoption of this Organic Law unless said proposed province shall contain within it a working constitution with an elected government and a citizenry comprising at least ten persons.*

*Notwithstanding this section, all provinces shall be guaranteed equal representation in the Senäts.*

;and

Whereas if you look closely there is a redundancy in the text of this section of the law concerning the "citizenry of ten"; and

Whereas redundancies should be cleaned up where possible;

THEREFORE the Ziu approves the following amendment to the Organic Law, and transmits it to the people for ratification.

Article XVII, section 13 of the Organic Law is amended to read;

*Section 13. No new province shall be constituted after the adoption of this Organic Law unless said proposed province shall contain a citizenry comprising at least 10 persons.*

*No new province shall be constituted after the adoption of this Organic Law unless said proposed province shall contain within it a working constitution with an elected government and a citizenry comprising at least ten persons.*

Éovart Grischun (MC-CSP)  
Flip Molinar (MC-PPT)

## 43RZ05 - The Nonpartisan Senator Amendment

Whereas a Senator represents his province, and

Whereas a Senator does not represent his party, and

Whereas Senators shouldn't just rely on their parties to get elected,

THEREFORE the Ziu approves the following amendment to the Organic Law, and transmits it to the people for ratification:

Article IV, section 5 of the organic law is hereby repealed.

Noi urent q'estadra sâ,

Sir Glüc da Dhi (Senator-CZ)
