58RZ11 - The Cjovani Ziua Auservada Bill

WHEREAS , there is a continuing interest in encouraging the development of provincial subcultures, and

WHEREAS , cultural development is one potential route to which we can revitalize provincial activity, and

WHEREAS , there is one shining example of the successful development of a provincial subculture in the Cjovani Benitians, and

WHEREAS , one way to encourage the replication of this laudable Talossan subculture effort is to memorialize and celebrate one of its first instances.

Therefore, be it enacted, that a new ziua auservada or Day of Observance is created by adding subsection 4.3.8 of Title F of El Lexhatx to read as follows:

7 April. Cjovani Day. This holiday honors a trailblazing example of Talossan subcultural development, the Cjovani Benitians, and serves as a day for Talossans to consider the potential for future subcultures in their own provinces.

Subsequent sections are to renumbered as necessary.

Uréu q'estadra sã,
Breneir Tzaracomprada (Seneschal)

58RZ12 - SoS Succession Reform Act

WHEREAS , the Chancery is one of the most important offices in the Kingdom, and

WHEREAS , it has been frequently stated that filling the position of Secretary of State has been a troublesome task in the recent past, and

WHEREAS , this statutory revision is offered in the spirit of reform as a process or act of fundamental problem-solving or iterative improvement.

Therefore, be it resolved, that the following changes are made to Title C of El Lex:

The existing 1.2.1 is replaced with: One member of the Chancery shall be the Deputy Secretary of State. The Deputy Secretary of State shall be appointed under the same procedure as the Secretary of State in addition to advice and consultation from the current Secretary of State. The Deputy Secretary of State shall immediately succeed the Secretary of State upon their death, resignation, or removal. The Deputy Secretary of State shall fulfill responsibilities to assist the effective operation of the Chancery as assigned or delegated by the Secretary of State.

The existing 1.2.1 is renumbered to 1.2.2 and revised and following subsections are renumbered: Another member of the Chancery shall be the Royal Data Clerk, heading the Office of Dynamic Data Management. The function of the Office of Dynamic Data Management is to manage all computer records owned by the Kingdom of Talossa for its official functions and delegated to its care in order to help other Royal Households, Ministries or any other organization of the Kingdom which needs data management. The Royal Data Clerk may be the same person as the Secretary of State. The Royal Data Clerk shall be considered an Officer of the Royal Household.

1.2.3. is revised to read as follows: The Royal Data Clerk is appointed by the Secretary of State. The Deputy Secretary of State and/or the Royal Data Clerk may perform official business as delegated to them by the Secretary. Both the Deputy Secretary of State and the Royal Data Clerk shall have all the access required to carry out the Chancery's functions under this section.

Uréu q'estadra sã,
Breneir Tzaracomprada (Seneschal)

58RZ13 - The Legal Repair Amendment

WHEREAS currently the entire status of much of our legal system is possibly itself illegal, since the Ziu's enumerated powers do not include any power to write criminal laws at all, nor to regulate any aspect of the legal system, meaning that most of Titles A & J are very much in doubt if challenged in court, and

WHEREAS this means that basically none of our criminal laws or rules about the court system actually work,

THEREFORE the third section of Article VII of the 1997 Organic Law shall be amended to include these additional provisions:

- 20. Criminal justice designed to protect the personal and property rights of citizens.*
- 21. Administrative matters incidental to the functioning of the justice system.*

Uréu q'estadra sã,
Baron Alexandreu Davinescu (MC-TNC)

58RZ14 - The Unsanctified Act

WHEREAS there is a large legal loophole that would permit virtually any crime, including very serious crimes such as threats of sexual assault, theft, bribery, or anything else, and

WHEREAS the problem lies with the fact that we're offering unlimited and unqualified sanctuary under terms which clearly reference the medieval Christian practice of offering church protection from secular law, thereby allowing anyone to claim the right of sanctuary if accused of crimes, and

WHEREAS it's hard to find any other way to interpret this bit of the law so that it makes sense, and so therefore this reading probably is going to be a valid one, or at the very least would be an incredible complication that might make it impossible to prosecute someone, and

WHEREAS no one has yet taken advantage of it, but there's no reason to think that will last forever,

THEREFORE the tenth section of Title A of el Lexhatx, which currently reads

10. The Ziu hereby recognizes the historic right of churches and other religious organizations to offer sanctuary to individuals in dire need.

is hereby stricken in its entirety.

Uréu q'estadra sã,
Baron Alexandreu Davinescu (MC-TNC)

58RZ15 - The Second Catchment Area Reform Act

WHEREAS , at present, the catchment areas of provinces in Talossa are confusing and incongruous; and

WHEREAS while a balanced intake of immigrants, geographical contiguity and common cultural roots may very well be impossible to achieve all at the same time, this is still a step in the right direction to achieve just that.

THEREFORE the Ziu hereby amends El Lexhatx Section E, Article 7 as detailed below.

WHEREAS Article VI Section 4 of the Legeu Orgänic states that

Prime Dictates (PDs) are public declarations which affect government policy and have the force of law. They take effect upon their countersignature by the King and function as laws for all purposes, with such exceptions and subject to such conditions as the Ziu may enact by statute. Prime Dictates are exempt from all provisions relating unto legislative proposals, but may never be used to amend this Organic Law.

WHEREAS Lexh.D.2.1.2 states that

2.1.1. The Ziu strongly urges the current and future Prime Ministers of Talossa to use the power of the Prime Dictate with caution and respect, limiting its usage to memorials, congratulatory notices, internal Government organization, executive policy clarification, and other appropriate and limited governmental matters, and leave legislation solely for democratic consideration by the whole Ziu.

WHEREAS the combination of these two legal provisions makes the King's countersignature necessary to be enforceable for all types of PDs including those listed and merely organisational ones;

WHEREAS PDs have been used for various purposes, e.g. in the Observance Day declarations, without the King's countersignature and in the absence of a specific exclusion of countersignature, their organicity for [Org.VI.4](#) might be doubtful;

WHEREAS using the same abbreviation PD for both keeps the system simple and allows an easy record of them under PD like RZ is used for every act of the Ziu;

WHEREAS in the 1988 Constituziun the name "Prime Directive" was used until 1989 for Prime Dictates, and using that name is an homage to the long history of our nation;

WHEREAS, the TNC pledged during the recent campaign to create a citizen skills inventory which will be used as a part of the Service Corps Initiative in compiling a voluntary knowledge base of those possessing useful professional skills in potential government service for use by incoming administrations in search of technocratic talent, and

WHEREAS, as a part of this effort it is planned to introduce optional questions to the upcoming National Census, and

WHEREAS, the relevant section of El Lexhatx C.1.2.2.2 is as follows: "Other questions on the Talossan Census shall be identical to the questions on the last census. These questions may be changed by the Chancery, either of its own volition or on request from the Seneschal, but any changes shall be approved by the Ziu, without needing to go through committee. These questions will be marked as optional, and at no time shall a citizen be forced or required to respond to an optional question.", and
