60RZ14 - The Making SoS Succession Easier Act

WHEREAS , one problem that was mentioned in the past is the difficulty in finding successors for the position of SoS, and

WHEREAS , a past proposal made to address this problem ran into concerns that it reduced the control the SoS had to name a successor, and

WHEREAS , in the simple proposal below it is suggested to keep other members of the Chancery as "unofficial Deputy SoS's" but change the current rules so that they may be allowed to succeed the SoS on his or her leaving.

Therefore, the Ziu enacts the following amendment to Section 1.2.3 of el Lexhatx which currently reads as follows:

1.2.3. Members of the Chancery are to be considered as if they were Deputy Secretary of State, without the ability to replace the Secretary should he become unavailable. Members may act in the name of the Secretary of State and perform official business as delegated to them by the Secretary. Once the requirements of M.2.1[r 8] above have been fulfilled, at least three members of the Chancery at any time shall have all the access required to carry out the Chancery's functions under this section.

Is amended to read as follows:

*1.2.3. Members of the Chancery are to be considered as if they were Deputy Secretary of State, **with** the ability to replace the Secretary should he become unavailable. Members may act in the name of the Secretary of State and perform official business as delegated to them by the Secretary. Once the requirements of M.2.1[r 8] above have been fulfilled, at least three members of the Chancery at any time shall have all the access required to carry out the Chancery's functions under this section.*

Breneir Tzaracomprada (MC-OPEN)

60RZ15 - BHAIID: Palestinian Children's Relief Act

WHEREAS , the costs of war are frequently felt most heavily by women and children, and

WHEREAS , any action or contribution no matter how small is warranted to prevent further suffering or reduce current suffering, and

WHEREAS , Talossans are known for their care and concern for conflict-burdened peoples around the world.

Therefore, the Ziu authorises the Bureau of Humanitarian Aid and International Development to make a one-time contribution of \$50 (USD), to the Palestinian Children's Relief Fund, at www.pcrf.net

60RZ16 - The Immigration Reform (Quality over Quantity) Bill

WHEREAS the Government of Talossa desires that frivolous applications for Talossan citizenship be discouraged, but serious applications get all the help that they need;

BE IT ENACTED by the King, Senäts and Cosä of Talossa in Ziu assembled as follows:

1. That El Lexhatx E.2 be amended by **addition of the bolded text as follows**:

2.1 The Minister of Immigration shall ascertain to his own satisfaction, through correspondence or conversation, that the prospective immigrant is a real human being with genuine interest in becoming a citizen of the Kingdom of Talossa. The Minister shall be free to inquire of the applicant on any and every subject, and shall be required to collect the legal name or name used in daily life, postal address (optional if the applicant is under 18 years of age, except for information needed to assign the applicant to a province), telephone number, and e-mail address(es) of the candidate, which information the Minister shall communicate to the Secretary of State. The applicant shall affirm or swear, under penalty of perjury and under the provisions of Lexh.A.16.1., that this information is accurate, and shall provide documentary evidence of the same if the Minister thinks it appropriate.

*2.2 Additionally, the Immigration Minister shall be required to collect an essay, written by the applicant, entitled "Why I am Interested in Becoming a Talossan." **If the Immigration Minister considers that this essay misunderstands the nature of Talossa or the rights and duties of Talossan citizenship, or gives insufficient information to enable citizens to ask meaningful questions of the prospective, they may require the applicant to submit a rewritten essay before proceeding to the next stage. When doing so, the Immigration Minister shall provide the applicant with sufficient information to do so successfully, or indicate where to find such information.***

*2.3 The Immigration Minister shall also allow every applicant to indicate, whether in the essay described elsewhere in this section or otherwise, what part or parts of Talossan life are the **Special Interests of the applicant. These may include Politics, Language, Culture, Heraldry, or any other categories as the Minister may see fit or that may be suggested by the applicant.***

2.4 The Immigration Minister shall make a monthly report to the Ziu reporting the number of immigration applications received in that month which did not proceed because failing to fulfil the requirements of this section. For each failed application the Minister shall note which part or part of the requirements of this section were lacking in the application.

2. That El Lexhatx E.3 be amended by **addition of the bolded text** and ~~deletion of struck-through text~~ as follows:

*3. The Minister of Immigration, working with the Seneschal, the Minister of ~~Stuff~~, ~~The Permanent Secretary to the Cabinet~~ **Technology** and/or the nation's Wittmeister shall cause the prospective immigrant to be granted an account on Wittenberg, allowing said prospective immigrant to converse with the subjects of the Kingdom gathered there. The Immigration Minister shall verify that the said account is fully-enabled, and that the candidate is able to communicate using this forum with the citizens of the Kingdom. The Immigration Minister shall then begin a single thread on Wittenberg introducing the prospective immigrant to the nation. The "Why I am Interested in Becoming a Talossan" essay shall be published by the Immigration Minister in this introduction. The*

Immigration Minister is further directed to remind his fellow citizens from time to time that the initiation of new citizens into Talossa is a serious matter and that questioning a prospective citizen is a patriotic obligation of all who love their King and Country.

3.1 The Ministry of Immigration shall note the prospective immigrant's future provincial assignment in the introducing thread.

3.2 The Ministry of Immigration shall also publish any Special Interests identified by the prospective citizen in the application, and put them in touch with Talossan citizens who are identified by the Ministry as being able and willing to help them pursue those interests. In doing so the Ministry shall not promote any particular political party to the exclusion of any other.

3. That El Lexhatx E.5 be amended by **addition of the bolded text as follows:**

5. If, at any point during the process, either before or after creation of the Wittenberg account, the Immigration Minister determines that the prospective immigrant shall not be considered further, the prospective immigrant shall be informed of this decision, and shall be made aware that a Grant of Citizenship may yet be obtained by the disappointed applicant if an act of the Ziu be passed directing that such a grant be issued. Any account created for the applicant on Wittenberg shall then be terminated.

*5.1 Any person, whose citizenship is denied, may **in the first case appeal this decision by application to the Secretary of State, and be given the Chancery's contact details to enable them to do so. The Secretary of State may, if they believe the Ministry of Immigration has misused their discretion under Talossan law, report to the Ziu with their reasons for so deciding and recommend that the applicant or prospective citizen be given citizenship by act of the Ziu. Alternatively, the applicant or prospective may** reapply by undergoing the entire procedure (minus any successfully completed portions) following the next general election.*

4. That El Lexhatx E.7 be amended by **addition of the bolded text as follows:**

*7. The Secretary of State shall, on a date of his choosing, but within a period of ten days after receiving a petition **from at least two citizens** to issue a Grant of Citizenship as described in clause 4, **and upon certification from the Ministry of Immigration that the prospective citizen has sufficient understanding of Talossan life and culture for full participation,** determine the provincial assignment of the prospective immigrant and issue a Royal Grant of Citizenship to the immigrant. This Grant shall be issued under the Royal Seal, either as applied by the Chancery, or, should the Majesty request, by the Sovereign under his or her own hand. If requested by the Government, the Grant may also bear the signatures of the Seneschal and/or Immigration Minister. The Royal Grant shall be promptly issued coincident with the candidate affirming his fealty to the Royal House and his allegiance to the Kingdom by taking any Oath of Talossan Citizenship specified by law. At the time this Royal Grant is issued, and from that point forward, the applicant shall be a full citizen of the Kingdom of Talossa. The fact of the issuance of this Grant shall be posted on Wittenberg by the Secretary of State, that the new citizen may be welcomed by his compatriots. Any and all objections raised to the immigration made after this Royal Grant will be moot.*
