A. Full text of all bills on the Clark

7RC01 - Recognition of Ben-importance Law

7RC02 - The Territorial Sanity Law

7RC03 - The Territorial Almost-Sane Law

That, failing the passage of the preceding law, Talossa shall declare itself satisfied and satiated with the current boundaries, borders, territories, and what-not and thus take no more land from anywhere, anything, or anyone. That Talossa shall, as Jahn recently proposed, reaffirm its boundaries as THE BOUNDARIES to which nothing more needs to be added.

Uréu q'estadra så,
Bob Murphy (BFT-Vuode)

7RC04 - The New Citizenship Entry Rules Proposal for a Committee to Study the Problem

That a committee shall be formed to review the rules allowing new citizens to join Talossa and offer guidelines for more uniform and strict criteria for applicants (such as better use of the essay). This committee shall consist of Daniel Lorentz, John Jahn, Robert Madison, and Robert Murphy.

Proposed by: PM Robert Murphy (BFT-Vuode)

Uréu q'estadra så,
Bob Murphy (BFT-Vuode)

7RC05 - The Ben Oversight Committee Act

To make sure Ben does not abuse his powers as King nor as editor of Stotanneu nor as the main medium of the nation, a select committee composed of skeptics shall carefully monitor Ben's official and non-official actions and report to the Cosa if Ben ever exceeds his authority. The skeptics: Sandee Prachel, Dan Lorentz, Bob Murphy and Jean Williams.

Proposed by: Dan Lorentz (BFT-Dandenburg)

Uréu q'estadra så,
Danihel Lauriéir (BFT-Dandenburg)

7RC06 - The Debate Via the Clark Enabling Act

To facilitate reasoned exchanged between members of Cosa on the merits of bills, the Secretary of State shall provide space on each month's Clark for debates on the upcoming months's bills. Obviously, this entails that the bills to be voted on in the upcoming month may be published a month before, so that Members of the Cosa may consider and propose alternatives to them.

Proposed by: Dan Lorentz (BFT-Dandenburg)

Uréu q'estadra så,

Danihel Lauriéir (BFT-Dandenburg)

7RC07 - The Stern Advice to the King on His Use of His Veto Act

The Cosa pleasantly but without equivocation asks that the King restrict his or her use of the King's Cosa-granted veto power to legislation which, in his or her painfully considered opinion, would dangerously and drastically alter the future course of the Kingdom. The Cosa expressly urges the King not to veto Cosa approved legislation with which he merely disagrees. It is the Cosa's opinion that unrestricted use of the King's veto will sour and perhaps eventually destroy Talossa's vibrant but still precarious democracy. Hear, King, the wish of the voice of the people. Proposed by: Dan Lorentz (BFT-Dandeburg)

Uréu q'estadra sã,
Danihel Lauriéir (BFT-Dandenburg)

7RC08 - The Repeal of the Repressive Party Consensus Encouragement Act

7RC8 - The Repeal of the Repressive Party Consensus Encouragement Act

The undeniable effect of the recently passed Party Consensus Encouragement Act will be to reduce the variety of independent view expressed in the Cosa.

The Cosa realizes that part of the fun of being a Talossan is the freedom to participate as an independent voice in the hot boil of Talossan politics, and therefore in a fit of reason, hereby repeals the deleterious Party Consensus Encouragement Act.

Proposed by: **Dan Lorentz (BFT-Dandenburg)**

****Scribe's Note:** Repeals [6RC89](#)

Uréu q'estadra sã,
Danihel Lauriéir (BFT-Dandenburg)

7RC09 - The Tom Buffone Citizenship Act

WHEREAS, one American citizen Tom Buffone, of moderate political leanings and of great past experience with Talossa, hath appealed to be made our newest Citizen, therefore the Cosa joyously admits him as our newest Citizen.

Proposed by: King Robert I (UP-Vuode)

Uréu q'estadra sã,

Ián von Metáiriã (PC-Maritiimi-Maxhestic)

7RC10 - The Historical but not Real Borders Act

The Cosa hereby declares Talossa's historic borders to be those which were confirmed by the United States Government prior to the unfair treaty of 26 September 1833 (see pages 20 and 21 of the History). However, approval of this bill in no way is to be seen as making present territorial claims against the United States, merely a recognition of past history.

Proposed by: King Robert I (UP-Vuode)

Uréu q'estadra sã,

Ián von Metáiriã (PC-Maritiimi-Maxhestic)

7RC11 - The Cézembre Control Act

WHEREAS, Citizen Frédéric Maugey has abandoned what he calls "the political part" of Talossa and no longer participates, the Cosa hereby revokes his rule (now his non-rule) over the isle of Cézembre and reimposes central rule over the island.

Uréu q'estadra sã,
Ben Madison (King of Talossa)

7RC12 - The National Constitution Act

The Kingdom of Talossa hereby resolves to scrap the outmoded and confusing Organic Law by the end of the year 1988, and replace it with a new National Constitution. Furthermore, a Committee on the New Constitution is hereby formed, to study the problem. The Committee will consist of: King Robert I, John Jahn, and Dan Lorentz, and such other members as it shall see fit to admit.

Uréu q'estadra så,
Ben Madison (King of Talossa)

7RC13 - The Funny Dog Act

Resolved, that because of his highly humorous and satirical behavior of 27 Feb 88, that Max the Dog who lives with Dan (Lorentz), be hereby named the Royal Dog of Talossa and entitled to all rights thereof.

Proposed by: Andrew Wozniak (CALL-Vuode)

Uréu q'estadra sã,

Andrew Wozniak (CALL-Vuode)

7RC14 - The Vote-By-Post Stabilization Act

It is hereby made law that all bills submitted to the Sec'y of State for consideration in the RT Cosa be presented in the following format:

- a.) either typed or word-processed
- b.) titled, with the bill's title underlined.
- c.) only single-spaced used, except that the bill's title may be two lines above the bill proper.
- d.) after the bill, the words "Proposed by", followed by the MC's first and last name, his party, and his representative, home district.

If bills *are* sent in any other way than above, then they will be re-formatted by the Sec'y of State. It's about time MC's show some responsibility for their bills.

Uréu q'estadra så,
Ben Madison (PC-Vuode)
