8RC09 - An Act to Establish an Advisory Cußégłh Cestoûr

8RC9 - An Act to Establish an Advisory Cußégłh Cestoûr

WHEREAS the Cestoûrs, the American natives living within the borders of Talossa, have no say in the management of the Talossan government, and

WHEREAS this is rather discriminatory, now

THEREFORE the Cosâ establishes an elective body called the Cußégłh Cestoûr (Cestoûr Council) to represent their interests.

Elections to the Cußégłh will take place twice a year and it will function exactly like the Cosâ. The Cußégłh will comprise 50 seats, apportioned (as in the Cosâ) by popular vote among pre-registered political parties. No single member may hold more than 15 seats. Non-votes and refuse-to-votes will not count, of course. Anyone living in the borders of Talossa, whether Talossan or Cestoûr, will have a right to vote in the Cußégłh elections, but must prove that they reside within the national territory. The Rôle of the Cußégłh is purely advisory; it can only pass resolutions calling for the Government to take certain steps. Its goal is to represent the population of the Talossan Peninsula as a whole, without regard to citizenship. The Cußégłh will elect a chairman who will bear the title of President of the Cußégłh.

Proposed by: **Robert Madison (PC-Vuode)**

Scribe's Note: This Act was repealed by [11RC1](#)

8RC10 - Minority of the Month Act

WHEREAS Talossa stands for human rights everywhere, and **WHEREAS** Arab idiocy ahs once again raised its head in Iraq in the use of chemical weapons against the freedom-seeking Kurdish people, the Kingdom of talossa hereby and with all available forces condemns whole-heartedly the efforts of the iraqi government to suppress the kurdish people's legitimate desire for statehood. furthermore we declare our utter support for the establishment of an independent Kurdish national state to comprise all territory in which Kurds form the majority population. Kurdistan must be as free as Talossa!

8RC11 - Ron Rosalez Citizenship Act

Ron Rosalez, a young Marine at Riverside, wants to be a citizen. Florence says he's O.K.

8RC12 - The National Names Act

In order to further the Talossan people's sense of national peculiarity and ethnic idiosyncrasy, the adoption of Talossan-language names by all citizens is hereby made mandatory. The use of these names for all purposes, public and private, is voluntary, however. Use of these Talossan-language names will be encouraged and no person may be discriminated against for using or not using them. First names will be derived when possible from a master list of direct translations, Last names will be produced during consultation with the person concerned, with the object of producing an aesthetically pleasing last name (with primary regard for a good Talossan translation of the original name's meaning). An Office of National Names (L'Óifisch dals Nóminas Naziunáís - ONN) is established to oversee this process. It is placed under the control of Róibeard Desmats (i.e. Robert Madison).

8RC13 - The David Kuenn Address Act

8RC14 - The Henry David Thoreau Expansion Act

WHEREAS, Andrew Wozniak is the Governor General of Henry David Thoreau Provincem, and he doesn't have any address in the boundaries of Henry David Thoreau Province, and it seems weird to me for a citizen who lives within the Nation to have his address in Vuode while governing another Province when he could be a part of the Province, then let it be resolved that the attic of Andrew Wozniak's house be formally ceded from Vuode into Henry David Throeau Province in order for the Governor General to fel more at home and to dissolve any weird feelings about this subject.

Proposed by: Andrew Wozniak (CALL, Henry David Thoreau)

Uréu q'estadra sã,

Andrew Wozniak (CALL, Henry David Thoreau)

8RC15 - Permanent Olympic Boycott Act

8RC16 - An Act to Amend the Regency

WHEREAS Article 24 of the Constituziun is written so as to tie up the government into non-unti-able knots in the event of the demise of the King's sanity, it is hereby rewritten to read as follows: The Regent is elected by nationwide vote. He serves a two-year term and may be re-elected.

Proposed by: Robert Madison (PC-Vuode)

Uréu q'estadra sã,
Ben Madison (PC-Vuode)

8RC17 - An Act to Amend the Constituziun

WHEREAS confusion has resulted from a misinterpretation of an (admittedly confusing) portion of the Constituziun on the issue of whether non-votes should be counted as votes, etc., Therefore Article 36 of the Constituziun is rewritten to read as follows: The Cosâ is comprised of 215 seats. 200 are apportioned among the parties in proportion to the popular vote cast for the parties in the last election (abstentions, spoilt ballots, non-votes, and votes for parties which did not register being omitted from this count so that all those who actually vote for parties comprise 100% of the total "popular vote" for this purpose}, these are called "elective seats." (The rest of the article remains as is.)

Ián von Metáiriâ (TNP-Pórt Maxhestic)
Ben Madison (PC-Vuode)

8RC18 - The Andrew Punishment Act

The Cosâ hereby resolves to change the name of "Henry David Thoreau" Province to its original, historical name of Maritiimi Province, which it has had ever since early 1983. The original name is old Talossan for "maritime"- appropriate since the provnce is coastal and contains Port Wozniak. The new name has no meaning whatever for the Kingdom (Thoreau was never even IN Talossa!). This act also replaces the original flag or Maritiimi upon it, effectively burning any ridiculous replacement. This act cannot be overturned by the Provincial Gov't for at least a period of 12 months.
